## **Richard Alexander Feria**

**R**ichard Alexander Feria Devoted husband, father, son, brother, grandfather and friend to all. He lived his life passionately and joyfully. He always had a smile on his face and stepped up to help anyone in need. He spread love everywhere he went. He is a shooting star blazing through the sky with his larger than life personality. He lived hard, fast and to the fullest. If you were lucky enough to go along for the ride you experienced life with the wind gust in your face, your heart pounding in your chest and laughing so hard you wanted to cry. You will be missed and never forgotten.

I'll miss your sense of humor and wit. Having had a few conversations about you over the past few days, one thing was said by everyone. You were fearless. You would stand up to anyone or anything and didn't back down. Farewell brother. When I think of you I'll smile, that's how you made us feel.
