Assaf, Wael Assaf and Sandra Assaf. Family Message: Mami, We love you, te amo forever. You are not gone, you are and will always be present in our hearts forever. You will constantly be appreciated and remembered in this world by the lives that you inspired and touched. You always loved your family and close friends, as if they were a part of you. We are thankful for having had such a beautiful mother like you in our lives. If it wasn't for you, we wouldn't be here living the happy exciting lives that you gave us. You live in our hearts and we feel you everywhere. Mami, we know that you are watching over us and you will always be there for us no matter what. You hear us when we speak to you at night, and when we look up at the stars and moon at night we feel you with us. We appreciate God for giving us the chance to spend time with you more than what the doctors expected. Words can't describe what an amazing person you have always been. We know that no matter where you are right now, you are still shining, just like the second you entered this world, mamita linda. We really need you and wish that you were still by our side making us laugh, and filling us with your love patience. Every moment that we all spent together will remain with us forever. We love you, best mom in the world, hayati. With all our love, Wael & Sandra
