Mom...you were: My companion My encourager My entertainer My source of delight The one who laughed at my jokes The one who knew me so well The one that loved me unconditionally The shoulder on which I cried on The arms that embraced & comforted me The one who always set a good example The one who inspired me The one who always prayed for me The one who always cheered me up My best friend... Not a day goes by that I don't miss you. I wish you were still here with me. I still needed you! My heart is beyond broken. ❤️😭❤️ I am so LOST without you mom. I don't know how I'm going to live without you. You were everything to me. My only person I had who truly loved me. I love you so much. I hope to see you soon. Please watch over me mom & guide me.
