My deepest condolences to Tiny's family - I am so sorry for your loss. I've known Tiny since 1985 and he was a great friend and was always there if you ever needed help with anything. Even though I left in 1988, time did not diminish our friendship and I have nothing but great memories of Tiny. I remember busting out cassette tapes of AC/DC, Van Halen and Led Zeppelin while cruising around Homestead looking for good times. I'll miss you Tiny, but know you'll always be part of some of my best memories. Thank you for the good times. Billy
