Our Father is once again, together with the Love of his life, our beloved wonderful Mother, who was taken from us way too soon, many years ago. May they both continue to watch over their daughters, son in-law, grandchildren and great grandchildren, and may we, their family, honor their memory, and all the love they gave us and all the sacrifices they made for us in life, by showing the compassion, kindness and dedication that they would expect from all of us, toward each other.
