Karen Ortiz posted:

My heart goes out to Sigrid's family. She had a generous heart and saw the very best in each of the people she mentored and became friends with. She was a visionary, supportive, and willing to go the extra mile for you- I know she went a few extra miles for me. I am forever grateful for her insight and encouragement. Thank you all for sharing her with us. Count on my prayers during this difficult time. Karen Ortiz
