**Tony Michael Handal** lit a candle in honor of Frederick.

I have always had very fond memories of my "Uncle" Fred. Since many years ago when he lived with our family after moving to New York from Jamaica. My sister Jenny who he is now with in heaven played many games and had fun times with him when we were in Queens. This continued with our visits to him and his family in Staten Island who I send my condolences to at this time. Please rest with the Lord and pray for us!
