To the Family of my good Friend and your loving Son and Brother, I offer my condolences for a life lost too soon. I recall the day I met Jorge and his two brothers visiting him on our P.E. field. He was a timid boy having immigrated from Cuba. It seems like only yesterday we shared afternoons playing sports together and mischief. Our friendship lasted well into our high school years and longer. His loss will forever resonate in my heart. I will miss you old friend. May you Rest in Peace.

My older brother Jorgie, he gave and demanded respect. He was extremely smart and he genuinely cared for people. Jorgie was a very loving friend, brother, son and godfather! JORGIE YOU WERE AND ALWAYS WILL BE A VERY IMPORTANT PART OF MY LIFE! I LOVE YOU AND MISS YOU! Damian

You were my first best friend. Then you became my brother. I'll never forget the day we became friends playing kickball at Everglades. You were the realest most loyal dude I've ever met in my life. Me and Dominik will never forget that night Me, You Dom and Albert went for that late night bike ride. I'll never forget you telling my son "Malangita you're gonna be safe I promise" he was nervous and you taped every flashlight we had to his bicycle and made sure he always stayed in the middle of us and felt safe as we rode. He still says that was one of the greatest nights of his life and mine too. I miss you bro I miss you sooo much. You'll never leave my heart and my thoughts brother. I love you Jorgie RIP
