Horacio A Leyva

DEC 27, 1935 - JUL 4, 2021

Dr. Horacio A Leyva resident of Bay Harbor Island, Florida formerly of Cuba passed away on July 4th, 2021 at the age of 85 years. Horacio is survived by his beloved spouse Blanca Amada Lagomacino; his loving sons Henry A Leyva & Frank A Leyva; his loving daughter Laura A Leyva; cherished grandchildren Bella A Leyva & Leyla A Leyva. Daughter in law ; Rachel Medina. Horacio will be truly missed by all his family and friends whom loved him dearly.

I'd like the memory of me to be a happy one.

I'd like to leave an afterglow of smiles when life is done.

I'd like to leave an echo whispering softly down the ways,

Of happy times and laughing times and bright and sunny days.

I'd like the tears of those who grieve, to dry before the sun;

Of happy memories that I leave when life is done.

William Rodriguez posted:

Horacio and I shared our friendship for more than 40 years. We worked together in many occasions and fish together in many occasions also since fishing was our favorite hobby. I saw his children grow and shared with his family in several occasions. I have lost my best friend. Rest in peace Bebo. William Rodriguez, MD.

Nancy & Will Walser posted:

Horacio was affectionately known to us as "Bebo" and was a kind, gentle and accepting man of my daughter, Rachel Medina who married his son, Frank. The union of his son and my daughter blessed us with 2 granddaughters, Bella and Leyla. I am so grateful our granddaughters were able to give him lots of "besos y abrazos" throughout the years. We shared many moments and memories with "Bebo" and the "Miami Family" here in Colorado when he visited Frank and the "Colorado family." His suffering has ended and for this we are grateful. He left us with many beautiful memories of his love from which we draw comfort. We knew this wonderful man affectionately as "Abuelo" when his granddaughters spoke of him or to him. "Bebo" rest in peace knowing you are remembered fondly by your "Colorado family." Con Muncho Amor, Nancy and Will Walser
