Dr. Manny was such a beautiful soul in so many ways. His faith and devotion, kindness and generosity--in a word, his witness--to the powerful apparitions of Our Lady of the Roses in Bayside, N.Y., was inspiring. Truly Our Lady will remember in kind his bold deeds. He amassed and profited from so many graces through the years, actually decades, in his active role in this noble Mission, and presence on the holy grounds. His Roman Catholic faith that he cherished and fiercely defended became more enlivened and deeper. His love of neighbor, or in his case, patients, was always genuine and compassionate. And his nearly 40-year marriage to his beloved wife, Grace, was always a beautiful testimony to that matrimonial bond sealed in the sacrament. If only we had more Dr. Mannys' in the medical field today, the hospitals and world would all be in a better place. Our heartfelt condolences to Grace, her 105 year-old mother, Graziella, Manny Jr., Tony, Barbara and all loved ones and friends in this time of sorrow. Dr. Manny will be publicly remembered at Our Lady of the Roses Shrine and in our community Rosaries and prayers. Michael, James, John, Darryl / Lay Order of St. Michael

Carmen and I feel blessed for our friendship, even though it was for a short time. In the short time you radiated your love of God, to the holy virgin Mary, to a life of prayer and the devotion to the holy rosary. We will always treasure our Saturday prayer group and the fun times afterwards. Manny your faith never wavered even when you were suffering on your cross which was the hospital bed. Manny you always pursued the truth, the good and the beauty. May you find peace in God's presence our deepest condolences to the Fernandez family, friends and his coworkers. Carlos and Carmen
