B, we have had some amazing times and I will forever be grateful to have had you in my life. Your friendship, infectious laugh, positivity, gracious heart, and overall wonderful nature has enriched my life forever. You made my time in Greece an unforgettable experience and enjoyed every second we spent together. You were family from day one and I take comfort knowing you are in heaven watching over us. Rest easy brotha and until we meet again. My deepest condolences to all your family and friends.
