Vickram Singh

AUG 25, 1977 - NOV 1, 2021

It is with great sadness that we announce the sudden passing of Vickram (Vic) Singh aka Navin on November 1, 2021.

Vic was born in Guyana on August 25, 1977. He was the son of Jean and Balram Singh and the beloved father of Reign Zen Singh. He was the brother of Dr. Sabrina Singh and brother-in-law of Dr. Thakur. Also, a caring and loving mamoo/uncle to Brayden and Bianca.

Vic was the nephew of Dr. Bharrat Jagdeo, Chiney, Rema, Sheila, Chandrakali, Davie, Kamla, and Leila. Cousin of Dr. Anila Ramphal, Ryan, Lian, Anya, Kamini, Anil, Sunita, Shafee, Krishna, Vishwani, Ramesh, Suresh, Chandraband, Raywanand, Pratima, Brahash, Vidya, Shanta, Beaton, Shyima, Debbie, Sonny, Bobby, and Romanie.

Vic's proudest accomplishments are High School Wrestling champion in Miami, 19 years of employment with Homeland Security and a self made entrepreneur. Most important to him was spending time with his parents, niece, nephew and more recently, his one year old daughter. He was a caring son and devoted friend who spend much time building his business pursuits.

“Such a rush of emotions
There's no way we can push it away
Cause they'll never tear our love apart
Our bond will never break”

Until me meet again....our eternal love ❤️❤️

A good person is like a winnowing basket. Just as 'Supa' (winnowing basket) separates the grains from the husks, so too, a good person separates the right from the wrong and does what is right.

My sincere condolences to Vic's beloved family. I can only imagine how difficult this is for you; for his TSA family, it has been truly heartbreaking. I didn't know one could eat papaya seeds until I saw Vic doing it. He would also share a piece of his fruit with a mockingbird I cared for in the food court near one of our checkpoints. He loved hearing about my animal stories, and got a kick out of my ability to communicate with birds and other animals. I know that one of these days, while I care for my little friends, he may pay me a visit from beyond. He will be missed, but he lives on in his beautiful little girl.

When I saw the e-mail at work that it was you who passed my eyes filled with tears. So many questions...why, what & how? We had some deep conversations at work. You were a quirky & funny guy. It saddens me I could not be at your service to say farewell friend. You will be greatly missed! RIP Vickram

I met Vic at TSA, he was always vigilant, and helpful. He always had a positive energy and attitude when at work. He joked around a lot, but he wouldn't take crap from nobody, passengers included. He was very fun to talk to. I'll try to stay "out of trouble". Rest In Peace 😊

Meeting Vic at the beginning of our TSA career, one thing that always remained true was his ability to make you laugh and his help whenever you asked for it, it was never a dull moment with him working at your side! I will never forget our talks about family, life, travels and his dreams. I'm grateful to have met him and shared those moments through the years. My deepest condolences to your family Vickram, you will be greatly missed. 🙏🏻💔-Jenny C.

I met Vic when I started working at TSA in D-1. We were always joking around and having fun at work. He also gave me a lot of advice every time we worked together. The last time we worked together recently we had a long conversation about life and the future. I will always cherish our friendship and will miss him screaming "gotta be like Mike! " Every time he saw me. Rest In Peace brother... see you in the next life...

I met Vic sometime after retiring from the USMC in 2004. We worked together at TSA. I was immediately drawn to his personality and spirit. His eyes were always filled with mischief, but I knew I could always depend on him. What a great loss on this side but an incredible gain on the other side. I'm sure we'll meet again for many more gut busting laughs.... Rest easy my friend.
