# Douglas Bruce Fulbright

NOV 4, 1944 - NOV 4, 2021

**D**ouglas Bruce Fulbright of Homestead, Florida passed away at the age of 77. Douglas was born in Grand Canyon, Arizona to James Daniel Fulbright and Dorothy June Muller. He later went on to join the United States Navy, where he served as a Submariner Nuclear Machinist Mate. After being discharged from the military, he continued to work as a nuclear mechanic in the civilian field. Douglas leaves behind his loving son, Paul Joseph Fulbright and daughter-in-law of San Juan Capo, California.

He will be dearly missed by all who knew him.

"When I am gone, release me. Let me go.  
I have so many things to see and do.  
You mustn't tie yourself to me with tears.  
Be happy that we had so many beautiful years.  
I gave to you my love. You can only guess  
How much you gave to me in happiness.  
I thank you for the love you each have shown,  
But now it's time I traveled on alone.  
So grieve a while for me, if grieve you must.  
Then let your grief be comforted by trust.  
It's only for a while that we must part,  
So bless the memories within your heart.  
I won't be far away, for life goes on.  
So if you need me, call and I will come.  
Though you can't see or touch me, I'll be near.  
And if you listen with your heart,  
You'll hear all my love around you soft and clear.  
And then, when you must come this way alone,  
I'll greet you with a smile and say welcome home..."
