When I must leave you
for a little while – Please do not
grieve and shed wild tears,
and hug your sorrow to you
through the years.
But start out bravely with
a gallant smile. And for my sake
and in my name, live on and do
all things the same.
Feed not your loneliness on
empty days, but fill each waking hour
in useful ways. Reach out
your hand in comfort and in cheer,
and I in turn will comfort you
and hold you near.
And never, never be

Wow! I guess I've always looked up "Ray" but this is my Mothers ex-husband who they have two daughters together which would make them my half sisters.... one born in 1962 is 60 yrs old this year and one born in 1965 is 57 this year.... Both of these children were adopted out; the oldest in GA and the other in Miami FL.... that being said if anyone has any information on these two daughters of his please let me know..... He was a trifling cheating POS and was not in the special forces during the Vietnam War but I do thank him for is service as he did serve in the USArmy for like 2 years TOTAL!!
