Dearest Carmen - I will always remember your infectious laugh and big, caring heart. You meant so much to so many people. I'm devastated that you left us so soon. I cherish the time we had together!

Rita lit a candle in honor of Carmen.

Dearest Carmen, you leave a void in the hearts of your work family. We miss your humor, your conversations, and your laughter. I think of you every time we make coffee and when I pass by your corner "office." So grateful for the years we worked together. You made every place you went a better place. Sending love to your family and to you always. ~ Rita
