PI

**Pilar** lit a candle in honor of Dulce.

Thank you for always making me feel part of your family and opening your heart and home to me and mine. As my "family" say their final good bye to you, I'll be with them even across the miles. Thank you for chaperoning, loving me and let your daughters be my sisters in spite of being skeptical about my mini skirts. Rest In Peace as you are reunited with your love ones. You will always be in my heart. Pilar Irurzun
