Brian Bridgewater

JUN 21, 1989 - MAR 2, 2022

Brian “Flex” Bridgewater was born on June 21, 1989, In Miami Dade County, to Reotie “Baby” Bridgewater and the late Vickram “Stevie” Bridgewater.

He leaves a huge hole in the hearts of his family and friends who were always entertained by his stories, hilarious sense of humor, and infectious laughter. Brian could never get through a sentence or a story without laughing. He truly brought the life to the party and loved to go fishing with his best friend Dave.

Brian was such a light in this sometimes dark world and he will be deeply missed by all who were lucky enough to know him. He touched the lives of so many people across multiple generations. During his time with us, he made a point to always help anyone with whatever he could, never second-guessing his decision. Anyone who knows Brian, knows that his family meant everything to him and in his eyes, each of you reading this was family or you wouldn't be here.

He was a man of many talents, a jack of all trades, an entrepreneur. He opened his own HVAC company, did many free services for the elderly and the community. If you really knew him, you knew he took care of everyone around him and made sure they were okay. He was the type of person that would give you the shirt off his back.

If there was one thing Brian was, it was determined. No matter the challenge or request, he gave his all to ensure he exceeded all expectations whether for himself or others.

He was beloved by everyone who ever met him. His love for life was evident in the way he lived. The block will never be the same without him.

Brian is survived by his mother Reotie, Aunts, Uncles, Cousins, Nieces, Nephews and God children. He is now at peace, joining his father, Stevie.

Until we meet again Brian...
