Nilo Daniel Estrada

NOV 29, 1990 - MAR 12, 2022

Nilo Daniel Estrada born in Canada on November 29th, 1990 and resident of Miami, Florida has passed away on March 12th, 2022. His loving Mother, Wife, and three children have dedicated this prayer in his name. Me gustaria que mi memoria fuera una de las mas felices. Me gustaria dejar una sonrisa radiante cuando el dia haya terminado. Me gustaria dejar un eco que vaya rodando suavemente por los caminos, de tiempo alegres y tiempo sonriente, y dias alegres y brillantes. Me gustaria que las lagrimas de aquellos que sufren, sequen ante el sol. De memorias felices que dejo detras cuando el dia haya terminado.

My deepest sympathies are with your family and loved ones at this time. If you spent a moment with him you would understand. From my daughters party at Dave n Busters , to your son birthday at the bowling alley. Meeting you was amazing . You and Shanettis made Geo and I feel like family. We laughed and told jokes. All Shanettis and I did at work was talk about you and Geo, good and bad. I remember like yesterday how much she wanted a baby girl, and you granted her that wish. You were a beautiful person inside and out, and amazing father, and a loving spouses. Your legacy will forever live through your children. Thank you for the opportunity to embrace your life even just for a moment. I pray that God will continue to spread his love and give your family comfort. We may have lost a brother, a son , a friend, a father, and husband. But heaven has gain an angel 🙏.

Nilo I am so shocked It's hard to believe you'reNo longer here . I'd like to start by saying thank you for everything you did for me when I lived in Miami . You and Shanettis helped me with my car so many times and I don't forget how you picked me up the day it shut down on me in the middle of traffic. I really enjoyed hanging out with you guys and there was never a dull moment around you lol ,You had great humor but overall you were kind, loving, a great friend, father , and husband . Rest easy I will be praying for you and your family.

LilBigBrother while I'm still here u will always live in my memories, we are never prepared for this type of pain in this life, you taught many people the meaning of unconditional love and that's why u leave us to get ur wings 🙏 I will see u soon again, My heart will ache knowing I'm not going to be able to at least get 1 last hug or 1 last good bye, I know in spirit u will be here n that gives me a little hope. I know u don't want us to be sad, so 4 u I will celebrate ur departure to the heavens because god knows u were one the purest soul that I got a chance to call family especially my brother, I Love You Forever n always Little Big Sis 😭❤ Till We Meet Again May your soul be in peace forever and always, and if god granted me an exceptional wish is for u to be my brother again in the next lifetime, because u were the best brother a sister can ever ask for, or 2 awake me from this bad dream.
