Renooka Yamala Boodoo

JUN 12, 1957 - APR 5, 2022

Renooka Boodoo (given name Gosein) peacefully passed away at 6:53pm on Tuesday, April 5th, 2022, at the age of 64 years old. Renooka was born to Haridass and the late Dolly Gosein on June 12, 1957.

Renooka is survived by her husband James Krishna Boodoo, her son, Videsh Persad, and her grandson, Aneel Persad. She is reuniting with her late mother and two brothers, Dolly, Kumar, and Narin Gosein.

Renooka is lovingly remembered by her family:
**Father, Haridass Gosein*
**Sister, Navi and her husband Joe*

- Sister, Chan and her husband Prakash and their children Kavita, Varuna, and Praveena
- Sister in law Shirley and her children Vash and Vijay
- Sister in law Leela and her children Varin and Chandini

As most of you are aware, Renooka suffered a massive stroke in November of 2020. Recovery and life after the stroke was a steep hill for her to climb, however, she still managed to laugh and crack jokes. In the recent months prior to her passing, Renooka was striving to regain her ability to walk. Sadly, a kidney infection three weeks prior to her passing changed the course of her journey.

While her family is sad to see her go, we are happy to set her free to dance the night away with her sharp moves. We are happy to see an end to her pain, suffering and limitations.

We thank the community for the love and support that you showed her through her darkest

May she always be remembered for her generosity, her forever readiness to knock about, her ability to light up the dance floor, her delicious culinary skills, and most importantly, her fierce dedication to her loved ones. She will truly be missed.

Renu was just an awesome person hands down. I will miss her dearly. She had a vivacious spirit, and definitely supported her loved ones in whatever way she could and I appreciate that very much. So sad she is gone, but I think there's only great memories of her because we all only had great experiences with her. Send your energy to us cousin Renu! Asha Gosein

When I was a little boy one day this pretty lady came to my house with her husband I really thought she was Letchme:s daughter. From that first day I met Renooka she became part of our family. Her voice was always so gentle and soft spoken she always moved gracefully never rushing. We all loved her so much we couldn't do without them when we were small when they left to Trinidad my brother and I cried for three weeks in our room and then when the summer came and we got to come down to Trinidad all we wanted to do was to see the three of them. As a little boy I could always feel the love that she gave off to us because she always treated us like her own children. Not once did she ever yell at us ever or tell us we did anything wrong. It broke my heart when I heard of her passing all those memories when I was a little boy came rushing back into my head she was a great lady a great aunt a great friend have and also she was a great mother. I hope she can rest now and be at peace. I loved you then I loved you now then you will always remain in my heart and many many others. Anil
