There once was this short and skinny 12 year old who was tagged with the nickname "Peewee". In spite of his small physical stature, he was someone you didn't want to mess with, there was no backing down in him. Time passed and although he grew taller and stronger, those of us who were lucky enough to have known him still called him by his nickname as a term of endearment. He went on to accomplish much and help many in his life. His best decision ever was to marry his lifelong love and partner, Elsie. He was a great husband, son, father, grandfather, and last but not least, a great friend. You will be missed my dear friend Peewee. RIP

Arturo was a gentle, happy and considerate friend. When he worked in the prison system he extended the gentleness and consideration to many inmates. This I know from the stories told to me by the inmates. Loving and caring husband and father. We spoke about fatherhood and marriage; his family was his biggest love and legacy. Elsa, Chris and all, he will be a part of all of us. Arturo's family extends to the LaSalle (ILS) class of '69 and beyond. Rest in peace good friend you will always be in our hearts.

My dearest Art, I will miss you! I will miss laughing with you, I will miss the heart felt advice you were there to provide whenever I needed it, I will miss your phone calls and talking about good times, most of all I will miss knowing that I could pickup the phone and call you anytime. You were my mentor, my dear friend, you were family. Thank you for everything you did for me during my career, in large part I owe my successes to your efforts and unwavering support . You took me under your wing like if I was your son and I will never forgot you. I love you. Rest In Peace my dear friend God bless you and your family.

You had the courage to correct us with affection. You knew how to pray with us and for us. You were never ashamed to be our friend specially in the sad and bitter hours. May your memory always be a blessing PeeWee. Un abrazo PeeWee from the one you affectionately nicknamed 'Peking Man'...Till we meet again my friend...

Don't know what to say. I shared life with Pee Wee from a very early age 24/7 for over a decade. We started a band, we started a fraternity. It's was full on excitement. We had the world at our fingertips. We were always involved in some caper lol. I saw him meet Elsita, get married and his firstborn... Pee Was a brother and a mentor to me. Not many Pee Wee's in the world. I can attest to that. God Bless, see you on the other side.

Pee Wee you were always an outstanding guy. The non nonsense member of The Antiques. You always left a legacy whenever you went. Last time I saw you and Elsa we had a good laugh at Happy Wine. You did well my friend.

I began to know him better when we began sharing homerooms in our sophomore year. I knew him as a person who did not give up. Played in intramurals and even tennis later on. Of course, also as a musician in probably the most popular local band at the time. My condolences to the family and to all of us that shared some time together. I know God welcomes him with open arms.

Our condolences to Arturo's Family and may the Lord support them and give them some peace during these difficult times. I met Arturo when we were 12 years old at Manny Salas's house. Even though we both went to perform with the two greatest and most competitive bands in Miami The Antiques & Coke, we never lost sight of our friendship. Anything they needed we were always there for them and vice versa. I was blessed to have gotten the opportunity to play with the Antiques, and those were fantastic years full of great memories and fun because between Arturo, Chebi, and me it was all you need to cause a rockus! Arturo was also instrumental in guiding me into a law enforcement career and I will always be grateful for that. You will be missed, my friend. You are now resting in the arms of our Lord and Saviour Jesus Christ. RIP
