Just found out he died. So very sorry to hear this. Rolando and Manny and I lost touch after high school but I always thought of them with great fondness because they were there in every high school memory I have, tow gentle giants that were great friends will be forever etched in my high school remembrances, where it be the Beta Club or toilet papering our friends houses or hanging out at houses in parties. Rest In Peace Rolando. See you again someday. CarlosN.

Rolando was such a gracious friend. We worked together and got into many adventures outside of work. My children would call him their only Hispanic uncle. He would love it. You will be greatly missed by my whole family. May God bring peace to Manny and the rest of the Cuervo family.

Dearest Rolando. You were a great friend and soul! I will always remember the wonderful times we spent with you and Manny. I am so devastated at your passing. God bless you Manny with peace and healing in the days ahead. 🙏🙏
😞❤️ Love you always. Christina and Danny

Rolando, half of the Cuervo comedy team, has left an empty space. There's no doubt that he is spreading joy in heaven.
