Mr. Zacarias. It's me the black sheep of the Gonzalez family. But I know you never thought the same of me. My first encounter with you rested with me was when I was 18. Now 60. 1. Thank you for bailing me out of jail when I was 18 when no other family members would. I locked onto you then and thereafter I admired you. 1A. Thank you for teaching me watch repair shortly thereafter again at 18 wanting to get me on right side of life's course. 2. Thank you for giving me work when I was unemployed at thirty years old. I was desperate. 3. Thank you for making me feel important to you. 4. Thank you for giving me the condo stay on the beach for my boys and me back then shortly after my divorce and departure from the Marines when I had nothing. 5. Thank you for checking in on my father from time to time 120 miles away from your home. 6. For these things I will never forget you and know we will meet again. Sir. I'm sure God has more for you to do. Please put in a good word in with God for me I want to be there with you. With love. Reinaldo.
