Irene Cruz Dominguez lit a candle in honor of Sylvia.

Sylvia was the best Mother in law. We had a bond like no other. She taught me so much and loved us all unconditional. She loved with all her heart. She was a STRICT one, but only meant what was good for us. We will miss Abuela so much and she will NEVER be forgotten. Only great thing now is the she is reunited with our Tito. The romance continues. Te adoro Mama'
