A loving friendship that has been going on for over 40 years, definitely a life time. We've shared so many happy and serious moments; Holidays, The births of our children, our occasional health issues, our birthdays, etc. Immense laughters that outweighed the tears because of you and your cheerful (often comical) personality. A chunk of our hearts has been torn away with this loss, but the memories are engraved in our minds, where you will live forever. You were always "the life of the party." Our lives will never be the same without you. May The Lord Bless you and your family. May He welcome you into His Kingdom with open arms. Until we meet again, RIP Compadre. TQM ❤️ 🙏
