Chad Joseph Hamker

SEP 19, 1985 - JAN 2, 2023

After battling with Congestive Heart Failure for 2 years, Chad passed away suddenly on January 2nd of this year from a final cardiac event after being airlifted to Miami Heart Institute at Jackson Memorial Hospital in Miami, Florida. Chad was born on September 19th, 1985 at Baptist Hospital in Miami, Florida to his loving parents, Wendy L. Wilford and Joseph H. Hamker. He grew up with two brothers, Blaise R. Hamker and Jesse S. Wilford which he loved very much and enjoyed being with in whatever the three of them could find to get into.....most of the time anyway.. Chad lived in Edgewater, Florida with his mother and brothers from 1992 to 2001 where he attended New Smyrna Beach Middle school & Senior High and received his GED from Daytona Beach Community college in the year 2000. In 2001, Chad moved back to Homestead to work with his father and brother and learn the Electrical trade in the Family business, Hamker Electric. On October 3rd, 2012, Chad became a new father to a beautiful baby boy with his much loved partner, Liza Gonzales which together they named him Aiden Joseph Hamker. Aiden became the biggest Love and Joy of Chad's Life. No matter what their plans were, he was so happy being with his son. Chad was known as an avid reader since he was very young and continued to read every book that he could get his hands on.. He loved the ocean and was raised on the water most of his life. He liked to fish, walk the beach with Aiden, Airboating with his Dad and spending time in the Keys. Chad had a Huge sense of humor and loved to laugh and tell jokes to everyone around him. However, he did discover some things in life that he did NOT like...such as, Large Green garbage dumpsters..... or Ducks ... and he especially did not like having to give himself injections...just ask his Dad...Chad was surrounded by Love, encouragement and support from all
