Warren Glenn Burchell

JAN 2, 1928 - MAR 4, 2023

Warren Glenn Burchell of Miami, Florida passed away at the age of 95. He is survived by his beloved wife, loving children and many other beloved family members and friends. He will be dearly missed.

Weep not for me though I am gone
Into that gentle night
Grieve if you will, but not for long
Upon my soul's sweet flight
I am at peace, my soul is at rest
There is no need for tears
For with your love I was so blessed
For all those many years
There is no pain, I suffer not,
The fear now all is gone
Put now these things out of your thoughts,
In your memory I live on
Remember not my fight for breath
Remember not the strife
Please do not dwell upon my death
But celebrate my life.

Dr. Burchell gave me my first opportunity to teach back in 1972. He hired me as a business teacher; I will never forget that his main concern was that I looked too young and the students might not respect me enough. I definitely worked at showing him wrong! But my best recollection of Dr. Burchell is the emotional support he gave me when my father passed. I will never forget him for the care and the time he took to speak to me and console me. Rest in Peace!

I am class of 1979. I never went to Dr. Burchell's office and I think that's a very good thing. But I do remember him greeting the students being very respectful and kind. Attended all the activities and was very approachable to all. Never heard a yell or unkind word come out of his mouth. He had a long life. RIP Dr. Burchell. You will never be forgotten.

My most sincere condolences to Mrs. Burchell, Mike, and all of the Bruchell family. South Miami Sr. High revered our Principal and founding father. His legacy will never be forgotten. RIP Dr. Burchell.

Sending my condolences to the Burchell family. Dr. Burchell was an amazing administrator. I remember walking into his office to complain about the flag being dragged as it was being put up, and before I knew it, I was given the job of raising the flag each morning! He will be missed. Godspeed Dr. Burchell.
