Albert D Uster

OCT 15, 1974 - MAY 16, 2023

Albert Daniel Uster, the dear husband of Maria Valdivieso and father of Albert Uster Valdivieso '28 and Matias Uster Valdivieso '30, passed away on May 16 from complications from ALS, which is also known as Lou Gehrig's Disease. He was 49.

Mr. Uster lived life to the fullest, showing his boys there is nothing in life they cannot accomplish. Besides being a successful businessman, he was also a runner, triathlete, skier, scuba diver, mountain climber and pastry chef. After his ALS diagnosis, he participated in fundraising for a cure for the disease, including the Walk to Defeat ALS Miami. He has been surrounded by family in recent weeks, and they are heartbroken.

A mass will be held in his memory at 4 p.m. Friday, May 19, at St. Agnes Catholic Church at 100 Harbor Drive on Key Biscayne. Albert and Matias ask that those attending wear white.

The family requests, in lieu of flowers, that donations be made to Team Uster at the ALS Society. <https://donate.fl.als.org/team/460025>

I met Albert playing tennis tournaments. I only played him a few times but it his bravery came through when he decided to tell his fellow tennis players that he had ALS. It takes a lot of courage to be upfront like that. Rest in peace Albert.

I was so lucky to win the \$344.6 million prize in the lottery. I have been playing the Powerball lottery for about 20 years, and I hadn't won a big amount until Dr. Isa helped me with his spiritual winning numbers. I thought it was all fake until he gave me the numbers and directed me on how to play. He assured me that I was going to win and asked me to give him 48 hours to finish his work, which I did. On the third day, he gave me the numbers and provided instructions on how to play, and luckily, I won. I want to let everyone who is reading this know that this spell really works, and you can also be a winner if you give it a try to see for yourself. The moment you contact Dr Isa for help is the end of suffering in your life. He has been helping people around the world, and I'm happy that I'm among those who have benefited from the great work he's doing. You can reach him if you really want to win the lottery. I was diagnosed with Parkinson's disease four years ago. For over two years, I relied on Levodopa and several other medications, but unfortunately, the symptoms kept getting worse. The tremors became more noticeable, and my balance and mobility started to decline quickly. Last year, out of desperation and hope, I decided to try a herbal treatment program from NaturePath Herbal Clinic. Honestly, I was skeptical at first, but within a few months of starting the treatment, I began to notice real changes. My movements became smoother, the tremors subsided, and I felt steadier on my feet. Incredibly, I also regained much of my energy and confidence. It's been a life-changing experience I feel more like myself again, better than I've felt in years. I was initially drawn to the investment scheme due to the promises of high returns and the assurance of a secure investment. However, as time went on, I began to realize that the investment was nothing but a scam. I lost access to my investment and was left feeling helpless and frustrated. It was a painful experience, and I felt like I had no options left. I was then referred to an online expert who could help me recover my funds. To my surprise, my invested funds were recovered within a space of a few days. I linked up with Capitalcryptorecovery(at)gmail(dot)com.

My wife divorce me because we were financially unstable, our doubt grew and neighbours started avoiding us and this got her pissed so she left. I was heartbroken and also financially broken at the same time that I almost took my life, I did research for a better life online when I saw testimonies of people appreciating lord Bubuz for casting a lottery spell and revealing the winning numbers to them so I contacted him immediately and he responded. I provided his requirements to cast the spell and he gave me a 6 digit number which I went to the lottery store and bought my ticket and soon got a notification that I have won \$40 million dollars. In May, my credit scores were 486 (TransUnion), 514 (Equifax), and 523 (Experian). When I applied for a mortgage loan in June, I was denied due to my low FICO scores. I turned to Reddit to ask for advice on how to improve my credit. I received numerous suggestions about HACK MAVENS CREDIT SPECIALIST. I reached out to him, and he replied promptly. I shared all the details about my credit situation, but I was hesitant to release my funds to him. He assured me that he could fix my credit, and I would pay for his services once the job was completed, which I agreed to. After three days, I received a notification from Experian saying, "Congrats, your FICO Score has increased!" I quickly logged in to check, and to my surprise, he had raised my scores to 806 (TransUnion), 814 (Equifax), and 816 (Experian). All negative items on my credit report were removed; no inquiries, no collections. I'm incredibly thankful. I just received better credit card offers. H A C K M A V E N S is amazing! Good Morning!! My name is Justin Simporios from Canada. My daughter was unable to walk for several months after an accident that required her to have surgery. Because I haven't won the Lotto I've been playing for so long, I haven't been able to pay for the surgery. A friend online recommended Lord Meduza to me and he deserves a really, really big THANK YOU. This man chose to help me with a lottery spell and he gave me the precise numbers to play the Canada Lotto Max Lottery. After two weeks, I was proclaimed the winner of \$80 MILLION DOLLARS. Now, my daughter will be able to walk once more after so much time as her surgery is now completely funded. My victory marks the biggest win for a single ticket in Lotto Max history in Canada.. I still can't believe it, Indeed there's none like Lord Meduza. Although if you want your EX LOVER back he can help you too so get in touch with him right now. I've struggled with Parkinson's for years, and medications only brought short-term relief. Out of hope and hesitation, I tried an herbal treatment from NaturePath Herbal Clinic. By the fourth month, my tremors eased, stiffness lessened, and balance improved. It wasn't overnight, but the progress was real and life changing. I now sleep better, move more freely, and feel like myself again. If you're considering natural options, I highly recommend giving them a try. I'm truly grateful I did. www.naturepathherbalclinic.com

I completely agree with you. My husband has been living with Parkinson's, and we also turned to NaturePath Herbal Clinic when medications were no longer enough. To our surprise, the herbal program made a huge difference—his energy improved, the tremors eased, and he regained much of his balance and confidence. It's been such a relief to see him feeling more like himself again. Truly, they offer hope for so many families.

I was diagnosed in March 2017, but was running around from doctor to doctor before I finally got a result that I was free from MND ALS. Mine started on top and progressed into the bottom. I could walk very little but need assistance as I have no balance. It is sad all the time that we thought this disease had no cure with all the technology we have, while some formulas at there can relieve all symptoms and get this of ALS. I'm passing this information to anyone who needs it, because www.madibaherbalcenter.com has the right cure and caregiver for this disease. I took various supplements, medicine prescribed by a neurologist, massage, and physiotherapy, still the disease was progressing very fast until the ALS formula from that company.

From the very beginning, their approach felt different. The team took time to listen, understand my symptoms, and tailor a natural herbal therapy specifically for me. Within a few weeks, I began noticing changes my thoughts felt clearer, I had fewer moments of confusion, and even my mood improved. My family noticed the difference too.
