Remember Me Dont remember me with sadness, Don't remember me with tears, Remember all the laughter, We've shared throughout the years. Now I am contented, that my life it was worthwhile. Knowing that I passed along the way I made somebody smile. When you are walking down the street, And you've got me on your mind. I'm walking in your footsteps only half a step behind. So please dont be unhappy, just because I'm out of sight. Remember that I'm with you each morning, noon and night.
