Norma Toni Saavedra

JUN 2, 1935 - NOV 25, 2023

Our dear mother Norma Toni Saavedra, sadly passed away on November 25th, 2023, at the age of 88 due to a six month battle with complications from a stroke.

She is survived by her eldest son, Victor, her daughter Lisa, and youngest son Etienne Saavedra. She was very loved and will be missed terribly. If you would like to pay your respects, you are welcome to attend the memorial service we are holding in her honor at Branam Funeral Home, 809 N. Krome Ave, Homestead, FL 33030 on December 5, 2023, between 5 and 10 p.m.

Toni, as she preferred to be called, was loved and appreciated by many friends and acquaintances and was a well-loved member of the community in The Bronx, New York City and in Homestead, Florida

where she retired. She was proud to serve and work in NYC at the Albert Einstein, Rose Kennedy Children Evaluation and Rehabilitation Center for 39 years, where she helps schedule and keep families in touch and on time with patients Doctor's agenda's.

Many a time there were patients from all over the world who praise and honor my mother for her hard work, and loving approach of communicating the task at hand. I still remember how she would take work home to be able to call patients with reminders to be on time. She was a blessing to anyone who knew her and always worked with a smile on her face.

One thing I remember was our mother always taught us to be kind, and she led us by example. Everyone always told me how sweet, and warm and kindhearted she was not to mention her intelligence. As a child I remember such great conversation about history and life challenges, her favorite past time was watching Movie Classic's and game show's Jeopardy and Wheel of fortune. She also loved to read, read, read!

I will always remember how kind Toni was to me when I was growing up in the Bronx. She loved to read books, especially romance novels and would share her passion with me. She was also a classic movie fan and knew a lot about the history of the old actors and actresses, which she shared. She was very supportive of me and Steven when we came back from Texas. She showered him with attention and gifts. I am very grateful for her love and acceptance. I will not forget that. Over the years, while she lived in the Bronx, I would visit her and spend hours talking about books, movies, food recipes, local events and about her life experiences. She gave me the recipe to make pastels, which was about 42 years ago and I still use it to make my Christmas pastels! She will be sorely missed by many. She is now resting in peace with her parents in paradise. Love you Toni forever.

I grew up in the same building as Toni, I was a child then. However, when I got older we became good friends as I grew up with her daughter Lisa. My mother, another friend, Carmen and Toni, used to go to bingo on Fridays and sometimes Saturday, they were the three Musketeers ! I remember when Toni would return from work, I'd be there waiting! We found out that we loved reading the same kind of books and we would exchange books, discuss them weekly!! She encouraged me to be an avid reader! She had an open door policy (literally) and you'd walk into her home, call her name, she'd tell you to "come on in!" We sit together talking for hours! She was like my second mom! She will be missed by so many for she was loved by so many! Toni, Rest in heavenly peace. You're with the Bingo girls, you'll be back together again!
