Darien, it was only 5 days before the news I got of you passing that I spoke to you. This has made me feel so lost, you was a very talented young man and loved by many. I can't believe that I can't speak to you anymore. I'm broken cuz. I don't know what to do. I remember a time when you use to play on the quad that mum(Aunty Barbara) had got you. I remember what you said to me. I only love bikes cause of you stef..... this made me happy to hear that. I keep going on your insta going to message you hoping that this is all a dream. I will keep your memory alive cuz cause you should still be here, I make sure I will be checking in on mum. Cuz I'm sorry that your life has been taken from you. Love you Darien. From stef, linnett and family. 💜❤️👉👈💚💙
