Aunt 🍒🍒 with tears in my eyes this is something us nieces and nephews never thought. I thank you for never judging and always loving me. When I was about 6 years old you were giving Dominick a fade I cried so bad because I wanted my head shaved also 😭. You not being able to say no to your niece you shaved the back of my head and wiped my tears away. Also letting all of us stay at your house together are memories I will cherish forever. May you be with Grandma and Grandpa. I love you.
