Sharing just one memory of you is not easy because you are such a BIG part of my life. I can't believe your gone. I miss you so much. Kiri will always remember crazy marraige proposals, Dj will always remember how you looked out for him and Noni will take care of your Tallo tuyo. As for me well... I have no idea who is going to remind papi to charge his phone so it has battery for me to talk to him when I call. Tio te llevaste un pedazito de mi corazon. Porfa... me lo cuidas con los pedazitos que tienen Jorgito, Tio Pedri, Padrino, y Abuelita tambien. Te amo and see you when God decides it so.
