I pray for strength for my family. I can't believe how much the family has endured over time. A broken heart is an understatement, and I'm so sorry mom. As a Mother it's starts from the womb, that first feel , first breath, but we never think we would be here for their last. I don't know how she keeps going , and that's why I pray for strength because I wouldn't be able to do it. We can learn a lot from situations and tragedies like this never take anything or anyone for granted and to always cherish the little things in life. James we have alot of memories together I have no doubt that you are with are father in heaven along with all the family we have lost. We will miss you but we will meet again rest in peace James

Rest in peace, baby bro. You left us too soon, and my heart is shattered into a million pieces. The pain of losing you is unbearable, but I take comfort in knowing that we'll meet again someday. Until then, I'll hold on to the memories we shared and keep your memory alive in my heart. You may be gone, but you'll never be forgotten. ❤️ #RIP #GoneTooSoon #UntilWeMeetAgain
