Immer Geovanni Campos

SEP 15, 1977 - SEP 16, 2024

Immer Geovanni Campos, Nacido el 15 de Septiembre de 1977 en El Salvador. Falleció el 16 de Septiembre de 2024 en Miami, FL a la edad de 47 años.

Immer Geovanni Campos was born in San Miguel, El Salvador to Maria and Jose Campos. He was the eldest of three, followed by two sisters - Jazmin and Dalia. He grew up in the small town of Herndon, Virginia and anyone who knew him knew how proud he was to be a Herndon/DC native. From a young age, he was a bright, charming, kind and sensitive soul that enjoyed life to the fullest. He had a great love for sports, travel, history, movies, and music. As a young adult, he made the crazy decision to pick up and move himself down to the sunny city of Miami, Florida completely on his own. Once in Miami, he never looked back. There wasn't anyone that spoke to him that didn't feel his love for Miami radiate off of him. Immer inherited his love for people and hospitality from his father. They were both blessed with the gift to make anyone feel at home and taken care of and left impressions on many strangers that became friends, and some even family. He inherited his fearlessness from his mother Maria who embodies strength in all of lives. With the heaviest of hearts we now face the biggest challenge of all, which is learning how to live without Immer, our brother, our son, our friend. We love you and we will forever be heartbroken and though you were taken way too soon from us, know that we could not be anymore proud of the MAN you chose to be in life. Truly a superhero in all of our lives. Until we reunite once again our dearest brother.

Losing you so soon is heartbreaking. I still can't put it into words. There are not enough words in the universe to describe what an unforgettable and genuine person you were. I was always amazed with how you always had a smile, through the good and bad. You were always there for anyone who needed advice or to share the positive outlook you had in life. I admired you in the way you lived life to the fullest and always saw the positive in every situation. It does not feel real that you won't be here with us anymore. But, I know you are somewhere safe and back with your dad. For us, we are left with beautiful memories and stories and even though you're not here with us, the love we have for you and these memories will always stay with us. I know you will be looking after your family. For Sabrina, Tia Luz, Dalia, Ruben and the kids, we are always here for you. We will navigate through this together. May God strengthen you and your family through all of this. I love you so much Geovanni and I will miss you every day ❤️

Sending prayers of strength to the family at this time. Immer was one of my bestest friends and the world just feels a little dimmer without his light. Irreplaceable.
