This is the hardest thing i have had to do is say goodbye to my brother. I know our sister is waiting with open arms for him and so is my son Steven. My brother always seemed like he had to be front and center with all his jokes and everyone in our family loved him dearly. I am praying for his wife and daughters and son Robbie. I know how hard this is because I have been through it a lot lately. We have lost a lot over the last few years. But David death has really hit home to me and my heart is just breaking. I will always love you little brother . Rest in peace your sister parky

David was the best Uncle/next door neighbor any one could have! He was always there for me when I needed him. He was bigger than life and I will cherish all my memories I have of him. Don't worry David, I will keep the tradition going of Deimos' bacon story at Christmas breakfast. Keep the birds flying in heaven! Love you!Tati

In 1967 David and I became brothers, I married his sister and became his brother without the in-law attached. we just clicked. He was younger but that didn't matter. We would go hunting and fishing with his dad, work on cars. I have a lot of memories of things we did together and the many talks we had. He will be sorely missed by his family and friends. But I take comfort knowing he is with his loved ones that went before him. Condolences and prayers to all the family left here to grieve, especially his wife Sylvia and daughters and son Rob. Going to miss you brother say Hi to Deb for me. Love you

My Uncle David, you loved beyond measure, your lovingly boisterous laugh, jokes, smile, sense of humor, and your heart of pure gold will be missed tremendously by myself and all who truly loved and knew you. The only comfort I have is knowing you are right beside my Mom again. My life will never be the same without you, my all time favorite uncle. But I have a lifetime of memories to hold close to my heart. I love you so much! Rest in Peace and know that you made an impact on everyone around you and definitely left an imprint in this world ❤️

Love you uncle David , did not matter the time or place uncle David always went out of his way to make sure me and my brother had smiles on our faces and were laughing. He could light up a room just by being in it.

David was the consummate family man. He was the joy and positivity we all were drawn to. David always pushed everyone around him to strive for better and encouraged us to get out of our comfort zones. David taught us to not let the fear of failure stop us from achieving greatness and happiness. David was a beacon of light and happiness that will be sorely missed, but if you knew David, you know he would want you to continue living your best life. I would not be the man I am today if it were not for you David. Love you and you will always be in our thoughts. Til Valhalla!

I will always remember his laugh. He always managed to call on the coldest day. Just to tell me how warm it was in Florida. He was great and will be greatly missed
