Ian Anthony Medina

NOV 30, 1993 - JAN 1, 2025

Ian Anthony Medina was born in Miami-Dade, Florida.

Ian attended Our Lady of Charity and was inducted into Florida's Gifted Program.

Ian also attended Miami Lakes Middle School and Monsignor Edward Pace High School where he was in the National Honor Society.

Ian was an avid swimmer and was part of the high school's varsity swim team. He also played baseball and soccer.

Ian graduated from the University of Florida with a Bachelor's Degree in Criminology and Spanish and then attended Emory University School of Law and completed his Juris Doctor in 2019.

He ran for Miami Lakes Councilman in 2021 and was hoping to have a successful political career where he would make a difference and change the public's perception of a politician to "a politician cares".

Ian was a very loving son and cared a lot for family. He made a special effort to spend a lot of time with his mom and family.

Ian was an exceptional and prolific writer and had a way with words. He had a unique and commanding way to convey his feelings by the written word. Ian would have been an outstanding lawyer but maybe heaven needed one instead, so he is there now to serve with our Heavenly Father.
