At 88 she handled technology like a youngster that grew up with it. She would take a screenshot whenever she saw the hour 11:11 and would send us a message that said "Paso un Angelito". Her last message to us on the morning of her demise on our Family WhatsApp chat was the 11:11.

Mami your strength and courage were admirable. A true matriarch a woman of faith and full of love. She was kind, generous, humble, beautiful the life of the party. Whoever it was she welcomed them in her home with open arms. I miss her every single second of each and everyday until I see my angel and now our saint. I love you mami until eternity. ❤️❤️❤️🙏🙏🙏

Tata would always tell me how proud of me she was. I would feel it, but nothing like the day I walked her around the hospital I worked at and introduced her to the people I worked with. She was so proud and wanted to see everywhere. I hope I continue to make you proud Tatica.

Tata va ser recordada con mucho carino, siempre fue una mujer amorosa y alegre. Cuando viene a mi mente la veo dandome una sonrisa y saludandome con alegria. Guardo con mucho carino el trajesito tejido que le hizo a mi bebe. Hermosas fotos salieron de ese regalito. Ella con sus manos daba amor y delicadesa a los demas. Tata esta en nuestras oraciones y corazones. Mis mas sentido pensame a todos sus hijos y esposo y familia.Familia Molina

this is the song her and my grandpa fell in love to, her favorite. she knew how much i loved the street cats, and the day she passed, one of them immediately trusted me. this guys name is cornelius, according to this girl i met. this girl's house is right around the corner from tata's, and she has so many cats coming and going from there because she feeds them, just like tata did. one day the other kitties will trust me but i know it'll take a lot of patience and love, something tata showed me a lot of.
