RA

Roselin Anido lit a candle in honor of Alicia.

I'll always remember our sweet Alicia for her love of music — so many of my favorite memories of her include an instrument in her hands, dancing, or excitedly requesting her favorite songs. I'll also remember her for her glam, her vibrancy, and the light she brought everywhere she went. I'm grateful to have had her in my life, and forever grateful for the brother she gave me. Aly will always be in our hearts, and she will always be part of our family.
