**Carlos E. Fernandez** posted:

María - My deepest and sincerest condolences to you and your entire family. While I never had the opportunity to meet your mother, I know how special she was from hearing about her through you over the last 15 years. She was an incredibly resilient woman that was loved by her beautiful family and I am sure that filled her with an immense amount of joy and gratitude. May she rest in peace and may God bless you and your family.
