**Jessica Jaqueline** lit a candle in honor of Migdalia.

I Remember when we went to Tia Migdalia's to introduce my son Yarel Angel for the first time. He was small since he was born preemie and she was worried as per usual seeing him that way. Fast forward a few months making him about 1 year old and we go back for a lunch with the kids and my mom, her niece (Xiomara Estrada) she was just so happy with how chubby and cute he had gotten. She was just repeating "jessi como a cambiado como me alegre que este gordito y mas grandecito". A few years later he went back to play piano for her in the backyard. It was a great memory. But the get togethers were always the BEST!! we will miss you tia and we love you always. May you rest in peace and rejoice in the glory of God. Love always, your nieces Jessi and Xiomara & the kids
